~NEW~

Skin Script™ Signature Skin Spatula 30™ \$90.00/\$63.00
Skin Spatula uses ultrasound technology to gently exfoliate the skin of dead skin cells and impurities. Ultrasound waves help loosen oil, dirt and cellular debris from pores to achieve a noticeable, healthy radiant glow. Skin Spatula is non-abrasive, pain-free and is safe to use on all skin types such as Rosacea, sensitive, acneic or aged skin. Achieve a healthier complexion without the redness, swelling and irritation often associated with traditional microdermabrasion treatments. Skin Spatula helps stimulate collagen and elastin which diminish the appearance of wrinkles and fine lines.
